Welcome to this updated, light filled, four level split in desirable Kensington. Four good sized bedrooms, two and a half updated baths and beautiful oak hardwood floor on two levels. Formal living and dining rooms as well as a very large comfortable family room. Updated kitchen with island and granite counters. Lush and private backyard with a large deck perfect for a summer BBQ. Off street parking and lots of storage, you will feel at home the moment you walk in the door. Close to everything Kensington has to offer including parks, MARC train, Metro and Antique Row.

Specializing in the marketing of fine residential properties.
